Sub:- Conferment of Autonomous Status to Ramachandra College of Engineering, NH-16, Bypass Road, Vatluru (V), Eluru-534 007, West Godavari Dt. Andhra Pradesh affiliated to JNT University Kakinada

Sir/Madam,

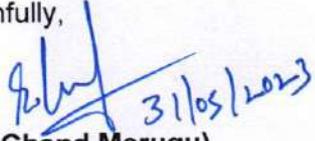

This has reference to the proposal submitted by Ramachandra College of Engineering, NH-16, Bypass Road, Vatluru (V), Eluru-534 007, West Godavari Dt. Andhra Pradesh affiliated to JNT University Kakinada for conferment of autonomous status.

The Commission at its meeting held on 26.05.2023 has approved the recommendation of the Standing Committee on Autonomous Colleges to confer the autonomous status to **Ramachandra College of Engineering, NH-16, Bypass Road, Vatluru (V), Eluru-534 007, West Godavari Dt. Andhra Pradesh affiliated to JNT University Kakinada** for a period of 10 years from the academic year 2023-2024 to 2032-2033 as per clause 7.5 of the UGC (Conferment of Autonomous Status Upon Colleges and Measures for Maintenance of Standards in Autonomous Colleges) Regulations, 2023.

The University, is therefore, requested to issue necessary notification within 30 days regarding the grant of autonomous status to the College as per UGC (Conferment of Autonomous Status Upon Colleges and Measures for Maintenance of Standards in Autonomous Colleges) Regulations, 2023.

The autonomous college is required to abide by all the provisions of the UGC Regulations for Autonomous Colleges. The Regulations are available on the UGC website, www.ugc.gov.in. Non compliance of the requirements and conditions prescribed in the said Regulations shall attract action as per Clause -13 of the UGC (Conferment of Autonomous Status Upon Colleges and Measures for Maintenance of Standards in Autonomous Colleges) Regulations, 2023. The college should apply to University Grants Commission for extension of autonomous status atleast three months before the completion of autonomy period.

Yours faithfully,

(Dr. Gopi Chand Merugu)
Deputy Secretary (AC)

Subject: Accreditation status of programs applied by Ramachandra College of Engineering, NH-5 Bypass Road, Vatluru (V), Eluru- 534007, West Godavari Dt., Andhra Pradesh.

Sir,

This has reference to your application I.D. No. 10464-06/03/2025 seeking accreditation by National Board of Accreditation (NBA) to UG Engineering programs applied by Ramachandra College of Engineering, NH-5 Bypass Road, Vatluru (V), Eluru- 534007, West Godavari Dt., Andhra Pradesh.

2. An Expert Team conducted onsite evaluation of the programs from 25th to 27th July, 2025. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
{1}	(2)	(3)	(4)	(5)	(6)
1.	Computer Science and Engineering	Tier II June 2015 Document	Accredited	1 st July 2025 to 31 st December 2025 and from 1 st January 2026 to 31 st December 2028	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Electronics & Communication Engineering		Accredited		
3.	Mechanical Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Ramachandra College of Engineering, NH-5 Bypass Road, Vatluru (V), Eluru- 534007, West Godavari Dt., Andhra Pradesh as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

Chaitanya

Contd./..

5. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

6. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

7. A scanned copy each of the Report of Chairperson of the Visiting Team and Evaluators' reports in respect of the above programs can be seen by the Institute at the tab-Accreditation Reports on the Institute's eNBA dashboard.

8. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication on eNBA portal alongwith Report of the Expert Team, giving reasons for the same and by paying the requisite fee.

F. No. 11-261-2017-NBA

Dated: 13.07.2021

To,

The Principal,
Ramachandra College of Engineering,
NH-5, Bypass Road, Vatluru (V), Eluru-534007,
West Godavari (Dt.), Andhra Pradesh

Subject: Grant of further accreditation of one year in case of UG Engineering programs in Tier II offered by Ramachandra College of Engineering, NH-5, Bypass Road, Vatluru (V), Eluru-534007, West Godavari (Dt.), Andhra Pradesh on the basis of Compliance Report.

Sir,

This is regarding Compliance Reports submitted by **Ramachandra College of Engineering, NH-5, Bypass Road, Vatluru (V), Eluru-534007, West Godavari (Dt.), Andhra Pradesh** for the UG Engineering programs which were accredited by NBA in Tier-II for academic years 2018-19 to 2020-21 and validity of accreditation is expiring on 30.06.2021.

2. The National Board of Accreditation (NBA) has decided that in all cases of UG Engineering programs which were accredited in Tier I/Tier II for a period of 3 years i.e. up to 30-06-2021 and for which the concerned Institutions have submitted Compliance Reports, but, the visits for data verification of the programs are pending because of the current pandemic situation due to Corona virus, the programs will be considered for further accreditation of one year i.e. up to 30-06-2022 after data verification of the programs in NBA on the basis of the submitted Compliance Reports. The data submitted by **Ramachandra College of Engineering, NH-5, Bypass Road, Vatluru (V), Eluru-534007, West Godavari (Dt.), Andhra Pradesh** in the Compliance Reports has been examined and verified in NBA. Based on the same, the Competent Authority in NBA has approved the following accreditation status to the programs as given in the Table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier-II June, 2015 document	Accredited	Academic Year 2021-2022 i.e. up to 30-06-2022	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier.
2.	Electronics & Communication Engineering		Accredited		
3.	Mechanical Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **Ramachandra College of Engineering, NH-5, Bypass Road, Vatluru (V), Eluru-534007, West Godavari (Dt.), Andhra Pradesh** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

Contd/-

5. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

6. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

2.	Computer Science & Engineering		Accredited		
3.	Electronics & Communication Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for three years. Ramachandra College of Engineering, NH-5, Bypass Road, Vatluru (V), Eluru-534007, West Godavari (Dt.), Andhra Pradesh should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible to be considered by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Ramachandra College of Engineering, NH-5, Bypass Road, Vatluru (V), Eluru-534007, West Godavari (Dt.), Andhra Pradesh as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. Implementation of National Education Policy (NEP) 2020

Institutional Vision and Alignment with NEP 2020

Ramachandra College of Engineering, Eluru, has strategically aligned its Institutional Vision and Mission with the objectives of the National Education Policy (NEP) 2020, with the aim of transforming into a multidisciplinary, research-oriented, student-centric institution of national importance. The institution has adopted NEP 2020 as a guiding framework for academic reforms, governance restructuring, research enhancement and holistic student development. The policy's emphasis on quality, flexibility, innovation, equity and global standards is reflected in the institution's long-term strategic plan and academic roadmap, thereby supporting its proposal for Deemed-to-be University status under the Distinct Category.

Multidisciplinary and Holistic Education

In line with NEP 2020, the Institution is transitioning from a traditional engineering-focused model to a multidisciplinary academic ecosystem. Engineering curricula are integrated with courses in basic sciences, management, humanities and emerging interdisciplinary domains. This approach ensures holistic education by enabling students to develop critical thinking, creativity, ethical reasoning and societal awareness. Courses on Indian Knowledge Systems, environmental sustainability, professional ethics, constitutional values and universal human values are embedded across programs to nurture responsible citizenship and cultural awareness.

Academic Flexibility and Multiple Entry–Exit System

To promote learner-centric education and flexibility, Ramachandra College of Engineering has implemented the Choice-Based Credit System in alignment with the Multiple Entry and Exit (MEE) framework prescribed by NEP 2020. Students are provided structured exit options at different stages of undergraduate education, leading to the award of certificates, diplomas and degrees including degrees with honours or research. The institution has adopted the Academic Bank of Credits (ABC) to facilitate credit accumulation, transfer and portability, enabling students to pursue education at their own pace and re-enter the academic system without loss of academic progress.

Curriculum Design and Outcome-Based Education

The institution follows an outcome-based education framework that is consistent with NEP 2020, UGC regulations and national accreditation requirements. Curricula are designed with clearly defined Course Outcomes (COs) that align with Program-Specific Outcomes (PSOs) and Program Outcomes (POs). Emphasis is placed on experiential learning through project-based learning, internships, laboratory-based experimentation, industry interaction and community engagement. Curriculum review and revision are undertaken periodically through Boards of Studies comprising academic experts and industry professionals to ensure academic relevance and rigor.

Research, Innovation, and Knowledge Creation

Research and innovation are integral components of NEP 2020 implementation at Ramachandra College of Engineering. The institution has established dedicated research and development mechanisms to promote interdisciplinary research, faculty-student collaboration and innovation-driven outcomes. Undergraduate and postgraduate students are encouraged to participate in research projects, publications, patents and technology development activities. Institutional support is provided for externally funded research, consultancy, startup incubation and entrepreneurship, thereby fostering a culture of inquiry, creativity and knowledge generation in alignment with NEP 2020's vision of research-intensive higher education institutions.

Faculty Empowerment and Capacity Building

Faculty members play a pivotal role in the successful implementation of NEP 2020 and the institution places strong emphasis on faculty empowerment and professional development. Regular faculty development programs are conducted on innovative teaching-learning practices, outcome-based education, digital pedagogy, curriculum design and advanced research methodologies. Transparent recruitment, appraisal and promotion policies are followed to ensure academic excellence and accountability. Performance-based incentives motivate faculty to engage in high-quality research, consultancy, innovation and continuous professional growth.

Digital Learning and Technology Integration

The institution has leveraged digital technologies to enhance teaching, learning and governance in accordance with NEP 2020. Digital libraries and online assessment tools support blended and hybrid learning models. Students are encouraged to earn credits through nationally recognized platforms such as SWAYAM and NPTEL, which are seamlessly integrated into the academic framework. Digital governance systems ensure transparency, efficiency and effective monitoring of academic and administrative processes.

Equity, Inclusion, and Student Support

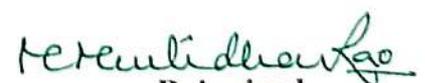

Equity and inclusion form the foundation of NEP 2020 implementation at the institution. Comprehensive student support mechanisms address academic, financial and emotional needs ensuring inclusive access and retention. Scholarships, fee concessions, mentoring systems, remedial coaching and counselling services are provided to support students from socially and economically disadvantaged backgrounds. The campus environment promotes gender equity, social justice and accessibility for students with special needs, thereby ensuring an inclusive and supportive learning ecosystem.

Governance, Autonomy and Institutional Leadership

Governance reforms aligned with NEP 2020 have strengthened institutional autonomy, accountability and participatory decision-making. Academic and administrative functions are managed through empowered statutory and non-statutory bodies, including the Academic Council, Boards of Studies, Research Committees and Internal Quality Assurance Cell. Transparent policies, strategic planning and data-driven decision-making ensure academic excellence, financial sustainability and continuous improvement, enabling the institution to function effectively as a Deemed-to-be University.

Community Engagement and Societal Contribution

In alignment with NEP 2020's emphasis on societal relevance, Ramachandra College of Engineering actively engages with the community through extension activities, rural development programs and socially relevant projects. Students and faculty participate in initiatives addressing local and national challenges, contributing to sustainable development and social responsibility. These activities reinforce the institution's role as a socially responsive higher education institution.

Implementation of Sustainable Development Goals (SDGs)

Ramachandra College of Engineering, Eluru, recognizes the United Nations Sustainable Development Goals (SDGs) as a critical global framework for inclusive growth, environmental stewardship and social responsibility. The institution has strategically integrated SDG principles into its academic vision, research priorities, governance structures and community engagement initiatives. This integration reflects the institution's commitment to producing socially responsible graduates, advancing sustainable technologies and contributing to national and global development agendas in alignment with UGC guidelines and the objectives of the Deemed-to-be University (Distinct Category).

The academic framework of the institution strongly supports SDG 4 (Quality Education) through inclusive, flexible and outcome-based curricula aligned with NEP 2020. Teaching-learning processes emphasize critical thinking, innovation, ethical responsibility and lifelong learning. Interdisciplinary courses and experiential learning approaches enable students to understand sustainability challenges and apply technical knowledge to real-world problems. Project-based learning, internships, community-oriented assignments and industry interaction are systematically used to embed sustainability perspectives across academic programs.

Research and innovation at Ramachandra College of Engineering are increasingly oriented toward addressing SDG-linked societal challenges. Faculty and students actively engage in interdisciplinary research in areas such as renewable energy systems, sustainable infrastructure, environmental management, water conservation, digital inclusion, healthcare technologies and smart systems. The institution promotes applied and translational research with measurable societal impact through funded projects, publications, patents, consultancy and entrepreneurship initiatives. These efforts contribute directly to SDGs related to industry, innovation, climate action and sustainable communities.

Environmental sustainability is reflected in institutional practices and campus management policies aligned with SDGs 7 (Affordable and Clean Energy), 12 (Responsible Consumption and Production), and 13 (Climate Action). The institution adopts energy-efficient infrastructure, renewable energy utilization, water conservation measures, waste management practices and eco-friendly campus initiatives. Awareness programs and student-led sustainability activities foster environmental consciousness and responsible behaviour, reinforcing sustainability as a shared institutional responsibility.

The institution places strong emphasis on equity, inclusion and social justice, thereby supporting SDGs 5 (Gender Equality) and 10 (Reduced Inequalities). Policies and programs ensure inclusive access to education through scholarships, fee concessions, mentoring systems, and academic support for students from disadvantaged backgrounds. Gender sensitization initiatives, leadership opportunities for women and a safe and inclusive campus environment contribute to social equity and empowerment. These measures ensure that no learner is left behind in the pursuit of quality education.

Community engagement and outreach initiatives further strengthen the institution's contribution to sustainable development. Through extension activities, rural development

programs and technology-driven social interventions, the institution addresses community needs related to education, health, skill development, environmental awareness and sustainable livelihoods. These initiatives provide experiential learning opportunities for students while creating tangible social impact, in alignment with SDGs related to sustainable communities and partnerships.

Institutional governance and leadership are guided by SDG principles of transparency, accountability and collaboration. Sustainability considerations are integrated into strategic planning, policy formulation and decision-making processes. Partnerships with industry, academic institutions, government agencies and community organizations support joint research, innovation and outreach activities, thereby advancing SDG 17 (Partnerships for the Goals). Internal quality assurance mechanisms continuously monitor progress toward sustainability objectives and ensure continuous institutional improvement.

In summary, Ramachandra College of Engineering, Eluru, has embedded the Sustainable Development Goals as a cross-cutting priority across education, research, governance and societal engagement. The institution's holistic and systematic approach to SDG implementation demonstrates its readiness to function as a socially responsible, globally aligned and future-ready Deemed-to-be University under the Distinct Category. This commitment to sustainable development strengthens the institution's contribution to national priorities and global goals, reaffirming its role as an agent of positive societal transformation.
