### **Report in brief by Organizer/Coordinator/Convener:**

In India, 5th September is celebrated as Teachers' Day as a mark of tribute to the contribution made by teachers to the society. 5th September is the birthday of a great teacher Dr. Sarvepalli Radhakrishnan, a staunch believer of education and a well-known diplomat, visionary, statesman, scholar, President of India and above all a perfect Teacher.

In 1962, when Dr. Radhakrishnan became the President of India, he was approached with a request of celebrating his birthday. He said, "Instead of celebrating my birthday, it would be my proud privilege if this day is observed as Teachers' Day". This showed his love for the teaching profession. From then onwards, this day is celebrated as Teachers' Day in India. Teachers mould the lives of the students by guiding them, by enriching their personalities, by imparting ethical and moral values and have more influence on them. Teacher's Day is celebrated with great enthusiasm in many parts of the world. This day is dedicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students.

The teacher's day was celebrated by the students of ECE department at RCE campus on 5th September to express their gratitude for the immense contribution put forth by their teachers towards their development. Teachers are the cornerstone of students' future.

Students decorated the college campus with the decorative items on the eve of Teacher's Day and the faculties were welcomed warmly. Each of the faculties was given a gift as a token of gratitude to show the acknowledgement and recognition of the hard work put by the teachers towards their development, wishing them a Happy Teachers Day. Teachers Day @ RCE was celebrated with a lot of anticipation, for the sheer spirit of the occasion. The event was concluded by the reviews of Principal Sir, Dean Sir, Head of the Department and all the faculties.

- It gives me immense pleasure to greet and wish you on this Teacher's Day on behalf of the entire management of Ramachandra College of Engineering. We celebrate Teacher's Day every year because we value you, and deeply appreciate your commitment to teaching and to the children of our institution. Teaching is one of the noblest professions in the world. I personally believe, there is no substitute to quality education because It helps in changing the lives of thousands of individuals and their families forever. More importantly, it is most critical to the growth of a developing nation like India. This is precisely the idea behind our tagline – We build a better nation through quality education. I wish to take this opportunity to thank you for your invaluable contribution to the institution over the years. Once again, I would like to wish each one of you a Happy Teacher's Day. May God bless you with the strength to achieve greater personal and professional growths in the years to come.

- Today, as we gather here to celebrate Teachers' Day, it fills my heart with immense pride and joy to be amongst a crowd that reveres, admires, and cherishes the relentless efforts of our teachers. This day is dedicated to Dr. Sarvepalli Radhakrishnan, an illustrious teacher, philosopher, and India's second President. He once said, "Teachers should be the best minds in the country," and truly, looking at our faculty, I see nothing but the best minds.

..... *Message by Dean Academics*

- Your dedication, hard work, and sacrifices have made it possible for our students to achieve great heights. On this Teachers' Day, let us all come together and celebrate the incredible contributions of our teachers in molding the future of our nation.

..... *Message by Head of the Department*

## Few Glimpses from the Event:

“We would like to thank the Management of RCE, Principal, Dean of Academics and Head of the Department for their support and allowing us to organize the ‘Teachers Day’ event in a smooth fashion and making this event a grand success. We would also like to thank all the student organizers and volunteers, especially HUNT team for arranging all the needs in time and coordinating as a team to organize the event for making it successful.”
