

Event: Swachhata Hi Seva Program

Date: 26-09-2024

Organized by: Department of Management Studies

Introduction

The Department of Management Studies at Ramachandra College of Engineering organized a **Swachhata Hi Sava program** to promote cleanliness and environmental awareness. The initiative is part of the national cleanliness campaign inspired by Narendra Modi under the Swatch Bharat Abhiyan.

The main objective of the program was to encourage students to maintain cleanliness in their surroundings and create awareness about hygiene and sanitation.

Description of the Event

As part of the **Swachhata Hi Sava initiative**, students and faculty members actively participated in a cleanliness drive on the college campus and surrounding areas.

The volunteers cleaned classrooms, corridors, and public spaces. They collected waste materials and disposed of them properly. The participants also spread awareness about maintaining cleanliness and avoiding plastic waste.

Students worked enthusiastically as a team and demonstrated a strong commitment to keeping their environment clean and healthy.

Participation

The program witnessed active participation from:

- Faculty members
- MBA students
- Volunteers from the Department of Management Studies

Their collective efforts made the cleanliness drive successful.

OUTCOME OF THE EVENT

The **Swachhata Hi Sava program** helped students understand the importance of hygiene and environmental responsibility. It encouraged them to adopt clean habits and contribute to a healthier society.

Conclusion

The Swachhata Hi Sava program organized by the Department of Management Studies at Ramachandra College of Engineering was successfully conducted. The event inspired students to take responsibility for maintaining cleanliness and contributing to the vision of a cleaner India.
