NH-16 Bypass Road, Eluru-534007, A.P.

ALUMNI EVENT REPORT

Title:	**Interactive Alumni Session on Embedded Systems and Career Guidance @ Alumni Spotlight**
Organized by:	**Ramachandra College of Engineering (Autonomous)**
	Department of Electronics and Communication Engineering
Guest	**Mr. Mani Sai**
Designation:	**Junior Design Engineer, Hyderabad**
Venue	**ECE Seminar Hall**
Date :	**17 February 2025**
Time :	**1:30 PM to 2:30 PM**
Conducted for	**ECE Students (3rd Years)**
No.of participants	**50**

### 1. Report in brief by Organizer / Coordinator / Convener

The Ramachandra College of Engineering conducted an interactive alumni session with Mr. Mani Sai, who graduated from RCE in the stream of Electronics and Communication Engineering during 2021–2025. The session focused on design, development, and implementation of engineering solutions on embedded systems. Mr. Mani Sai shared his professional journey from campus life to becoming a design engineer at Tech wave Infotech, Hyderabad, motivating students to develop strong technical and communication skills. The interaction provided valuable inputs for students to shape their career paths effectively.

2. Profile of the Guest

Mr. Mani Sai, a Junior Design Engineer at Tech Wave Infotech, Hyderabad, graduated from Ramachandra College of Engineering in Electronics and Communication Engineering during the academic year 2021–2025. He is currently working in the Embedded Systems domain, where he contributes to troubleshooting design issues, preparing technical documentation, and ensuring that designs comply with industry standards and client specifications.

During this session, he shared his experiences from college life, his transition into the corporate world, and valuable insights into the industry, which inspired and guided the students.

3. Few Glimpses of the Event

4. Feedback from Participants

The third-year students from the Department of Electronics and Communication Engineering at Ramachandra College of Engineering (RCE) were pleased to participate in the alumni session organized by the college. The session was highly informative and interactive, providing practical knowledge on industry trends and career opportunities in the Embedded Systems field. The students expressed that the talk delivered by Mr. Mani Sai was inspiring and helped them gain a clear understanding of how to prepare for their professional careers.

5. Remarks from Resource Persons:

Visiting my college after graduation and interacting with my juniors was a truly wonderful experience. Sharing my professional journey and guiding students about career opportunities in the Embedded Systems industry made me feel both proud and fulfilled. I sincerely thank the management, faculty, and students of Ramachandra College of Engineering (RCE) for providing me with this memorable opportunity.
