

## **Event: Food Donation Program**

**Date: 14-11-2024**

**Organized by: Department of Management Studies**

### **Introduction**

The Department of Management Studies at Ramachandra College of Engineering organized a **Food Donation Program** on November 14, 2024, to celebrate Children's Day. The main purpose of the program was to spread happiness among children and support them by providing food and care.

Children's Day is celebrated in memory of Jawaharlal Nehru, who believed that children are the future of the nation.

### **Description of the Event**

The Food Donation Program was conducted at the college premises with the participation of faculty members and students from the Department of Management Studies.

During the program, meals were prepared and distributed to the children. The students actively participated in serving food and interacting with the children. The volunteers ensured that every child received food and was treated with care and respect.

The event created a joyful atmosphere as the children enjoyed the food and spent time with the volunteers. The program not only provided nourishment but also brought smiles to many children.

## Participation

The program witnessed enthusiastic participation from:

- Faculty members
- MBA students
- Volunteers
- Children invited for the program

All the participants worked together to make the event successful.

## **OUTCOME OF THE EVENT**

The Food Donation Program was successfully conducted and made a positive impact on the children. It helped students understand the importance of social service and helping those in need

### **Conclusion**

The Food Donation Program organized by the Department of Management Studies at Ramachandra College of Engineering was a meaningful initiative. The event reflected the values of compassion, sharing, and social responsibility among students.
