

Tech Fest -#KREYA22 Report

Organized by : Department of Computer Science & Engineering
Ramachandra College of Engineering

Name of the External Judge : Dr. B Mouleswara Rao,
Professor, Department of CSE, K L University.

Name of the Internal Judges : Mr. P. V. Kishore Kumar,
Assistant Professor, Department of CSE, RCE.

Event : Code Rummy

Venue : Computer Lab- 3, Room No 211

Date & Time : 31-03-2022 @ 01:30 PM

Name of the College	No of Students Attended
Ramachandra College of Engineering	24
Gudlavalleru Engineering College, Gudlavalleru	02
VKR & VNB College of Engineering, Gudiwada	01
Total No of Students Attended	27

Report

1. Report in brief by Organizer / Coordinator / Convener:

Co-curricular activities are activities that take place outside the classroom but reinforce or supplement classroom curriculum in some way. They are ungraded and do not offer any form of academic credit, but they do provide complementary learning of some form. It is our college's regular practice to conduct a national level technical fest to make students aware of new technologies in the contemporary era. In the connection, Ramachandra College of Engineering was organized a national level technical fest for the academic year 2021-'22 in the name of "#KREYA22". As part of #KREYA22, Department of CSE has conducted two technical events, viz., Paper presentation and Code rummy. The department has given wide publicity in and around the state and neighbor states. Many students have registers themselves and attended for events.

Code Rummy is a coding contest conducted among the aspirants of would-be software engineers to improve their coding skills. This contest has two rounds, viz., Preliminary round and coding round.

Preliminary Round

- In preliminary round, participants have given 30 multiple choice questions and will be evaluated for 30 marks.
- Participants have given 30 minutes of time to complete this round.
- Shortlisted criteria:** The organizers have fixed 11 marks will be cut off point.

Coding Round

- In this round, participants have given 5 pattern programs to perform.
- Maximum performance time will be 30 minutes.
- Selection Criteria:** Based one performance of participants and marks, participants will be elected winners.

Form Preliminary round eight students have shortlisted.

From Coding Round,

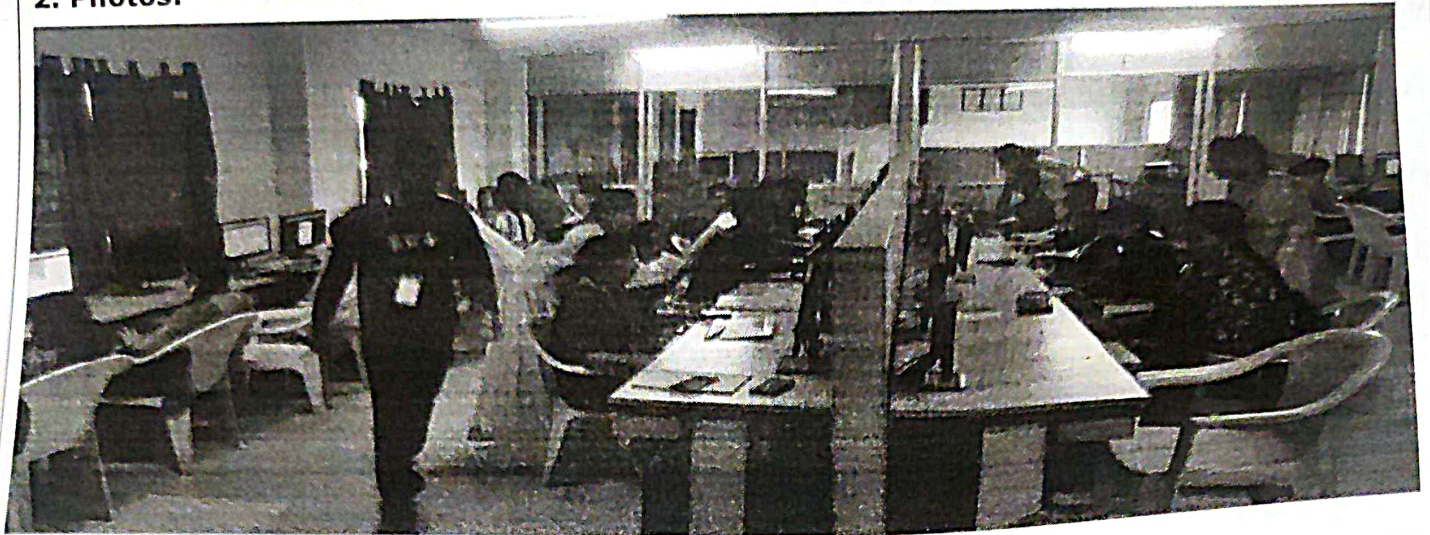

Mr. B Prasanth Kumar, Ramachandra College of Engineering stood in **I Place**.

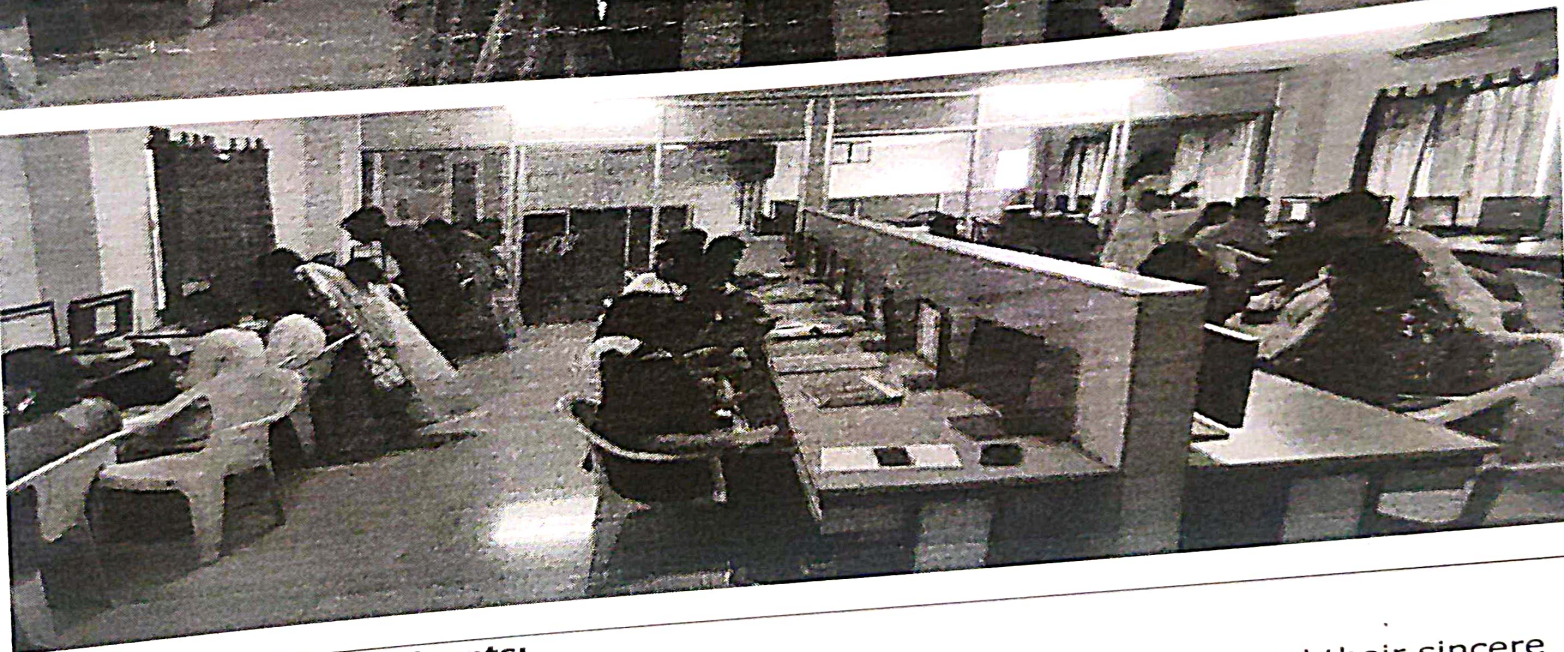

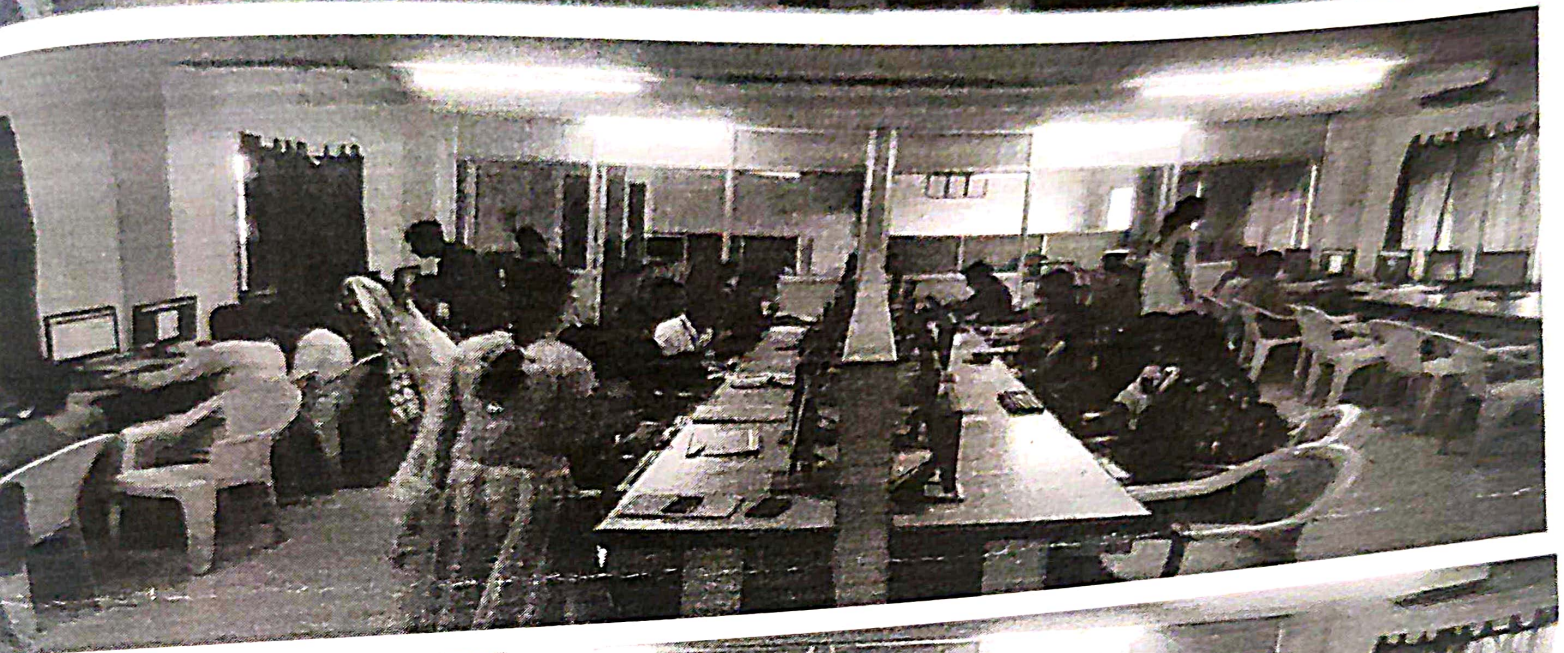

Mr. Dhanumjaya Reddy, Gudlavalleru Engineering College, Gudlavalleru stood in **II Place**.

Winners are honored with cash prize, memento and winner certificate.

All other participants have carried their participation certificate for the event.

2. Photos:

3. Feedback from Participants:

Participants have felt very happy to attend to Code Rummy event. They expressed their sincere thanks and regards to conduct this kind of event to them.
