

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

PROJECT EXPO REPORT

Title	: Project Expo Under the Prakalp
Organized by	: Department of Electronics & Communication Engineering
Resource Person	: Mr. Amar Nagaram
Designation	: Founder of Virgio and Advisor to TTD
Faculty Coordinator	: 1.Mrs.K. Jeevana jyothi,2. Mr.Y.Naveenkumar, 3. Dr. K. Raju
Venue	: Open Auditorium
Date	: 01st Apr 2026
Time	: 9:30 AM – 4:50 PM
Conducted for	: I,II ,III ,IV ECE Students
No. of Participants	: Around 100 batches

1. Report in brief by Organizer / Coordinator / Convener

The Department of Electronics and Communication Engineering (ECE), Ramachandra College of Engineering (RCE), successfully organized a **Project Expo** on 01st April 2026.

The event was graced by **Mr. Amar Nagaram** as the Chief Guest. He visited various project exhibits, interacted with the students, and examined their work with keen interest. During his address, he encouraged students to focus on real-time, innovative projects and emphasized the importance of enhancing technical knowledge to showcase emerging talent in society. He also appreciated the participation of students from other institutions and motivated them to strive for greater achievements in their respective fields.

Judges from various colleges were invited to evaluate the projects. They thoroughly examined each project and assessed them based on innovation, technical implementation, and practical relevance. Based on their evaluation, outstanding projects were shortlisted and awarded prizes across different categories, with a total prize pool of **₹1,00,000**.

The Project Expo provided an excellent platform for students to demonstrate their creativity, technical skills, and innovative thinking.

2. Profile of the Guest

Mr. Amar Nagaram is a distinguished industry leader, entrepreneur, and innovator, best known for his role as the former CEO of Myntra and the Founder of Virgio. With a strong vision for building scalable and impactful digital platforms, he has played a key role in shaping India's modern e-commerce landscape.

Currently serving as an Advisor to TTD, he continues to contribute his expertise toward organizational growth and strategic development. His journey reflects a passion for innovation, leadership, and transforming ideas into meaningful impact.

An inspiring figure for aspiring engineers and entrepreneurs, Mr. Amar Nagaram's story stands as a testament to perseverance, vision, and the power of execution—proving that dreams don't wait, and

builders never stop.

3. Few Glimpses of the Technical Event:

RAMACHANDRA
COLLEGE OF ENGINEERING
AUTONOMOUS

NATIONAL LEVEL PROJECT EXPO & 24-HOUR HACKATHON

APRIL 1ST & 2ND 2026

PRIZE POOL GIVE AWAY **₹3,00,000**

Prakalp

Project Expo

- 100+ Projects slots
- Live Demo & Judging Q&A
- Hardware & Software Tracks
- Registration Fee:
Single/Duo:- ₹500 (Total)
Teams of 3-5:- ₹200 Per Person

24-Hour Hackthon

- 200 Teams | 4 Domains | 24 Hours
- 4 Rounds - Idea to final Pitch
- Mentorship for Every Domain
- Registration Fee:
Single/Duo:- ₹1000 (Total)
Teams of 3-5:- ₹500 Per Person

Project Expo

1st Place ₹15,000 Hardware & Software	2nd Place ₹10,000 Hardware & Software	10 Winners ₹5,000 Domain Winners
--	--	---

24-Hour Hackthon

1st Place ₹15,000 Per Domine	2nd Place ₹10,000 Per Domine	20 award ₹5,000 winners
---	---	--------------------------------------

100+ EXPO SLOTS **1000+ PARTICIPANTS** **200+ HACKATHON TEAMS**

4. Feedback from Participants

The students of the various departments at RCE and also the students from Out source colleges were happy to participate in the Project Expo sponsored by the RCE. Students expressed high enthusiasm and appreciation for the Project Expo, highlighting it as an excellent platform to showcase their creativity, technical skills, and innovation. They found the event highly informative and inspiring, as it exposed them to a wide range of practical applications and real-world problem-solving approaches. Many students appreciated the opportunity to interact with peers, faculty, and industry experts, which helped improve their confidence and communication skills. Overall, the expo was considered a valuable learning experience, though a few students suggested allowing more time for project demonstrations and interactions.

5. Remarks from Resource Persons:

Resource persons appreciated the overall organization and coordination of the Project Expo, noting the high level of student participation and enthusiasm. They commended the students for presenting innovative ideas, practical implementations, and strong understanding of core concepts. Many projects were recognized for their relevance to real-world problems and emerging technologies.

They also highlighted the students' ability to clearly explain their work, demonstrating good communication and technical skills. The resource persons encouraged students to further refine their projects, focus on scalability, and explore opportunities for research, patents, or startups.

Overall, they described the expo as a commendable initiative that effectively bridges academic learning with practical application, and they encouraged the institution to continue organizing such events regularly.
