## **RCE KREYA- 2K26**

**Ramachandra College of Engineering (A)** proudly hosts its annual college fest, “**Kreya**,” which made its debut in **2022** and has since grown into one of the institution’s most anticipated cultural traditions. Derived from the Sanskrit word meaning “action” or “creation,” the name perfectly reflects the spirit of innovation, creativity, and dynamic expression that students bring to the celebration. Encompassing art, music, literature, culture, and technical excellence, Kreya serves as a vibrant platform for talent, collaboration, and inspiration. The grand celebration of its **5<sup>th</sup> edition in 2026** marked a significant milestone in the college’s cultural calendar, reinforcing Kreya’s legacy as a symbol of imagination, passion, and collective achievement.

In the lead-up to the two-day celebration, Kreya upholds a vibrant tradition of organizing pre-fest activities such as flash mobs, the thematic 2K-Walk, department-wise daily events, and stall management initiatives. These engaging activities not only build excitement for the main event but also provide students with diverse opportunities to showcase their creativity, teamwork, leadership, and organizational skills across multiple dimensions.

“**Kreya-2K26**,” the fifth edition of the annual fest, was a grand success, reflecting the vibrant talent, enthusiasm, and creativity of the students. The two-day celebration featured an exciting lineup of events, including electrifying dance competitions, the prestigious Ms. & Mr. Kreya contest, exclusive fashion shows for boys and girls, an adventurous Treasure Hunt, the official magazine launch, and a spectacular musical concert followed by a high-energy DJ night. Blending art, culture, style, and entertainment, the fest created an unforgettable experience and further strengthened its legacy as a hallmark event of the institution.

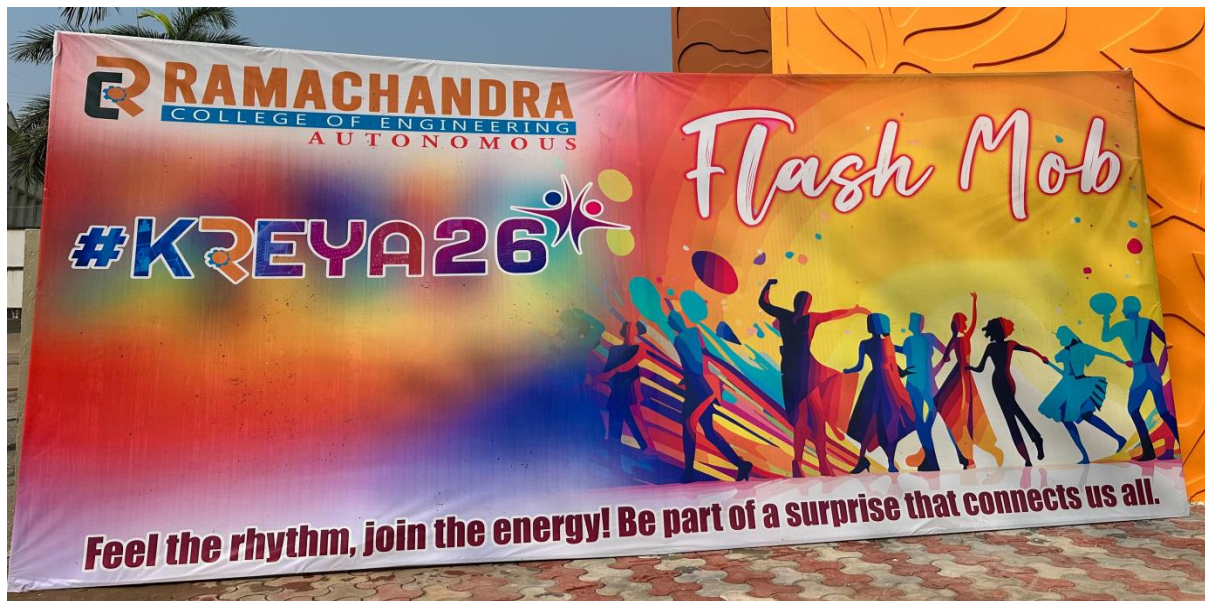

The fest offered a dynamic platform for students to showcase their talents, pursue their interests, and build lasting connections with their peers. It celebrated diversity, inclusivity, and creativity, embodying the institution’s dedication to fostering a well-rounded and enriching learning environment.

The outstanding success of “**Kreya 2K26**” reflected the collective dedication, coordination, and relentless efforts of the students, faculty, and staff who worked tirelessly to make the event truly memorable. As the institution anticipates future editions of Kreya, the fest continues to stand as a defining element of the college’s culture, spirit, and identity.

coordination but also strengthened their confidence and team spirit. The infectious energy and seamless collaboration displayed by the participants carried forward into Kreya 2026, making the fest more dynamic and memorable.

The management expressed heartfelt appreciation to all the students involved, commending their enthusiasm, dedication, and passion, and applauding their collective effort in making the occasion truly remarkable.

## 2K- WALK

### ON THE THEME CALLED “WALK FOR HER FUTURE”

The 2K Walk event was conducted on 08.01.2026 at the Indoor Stadium, Eluru, to raise awareness about the **Girl Child Protection**. The event aimed to educate participants about the importance of safeguarding the rights, dignity, and future of every girl child.

The walk highlighted critical issues such as prevention of child abuse, child marriage, gender discrimination, and the importance of education for girls. Participants were encouraged to stand against violence, promote equality, and create a safe and supportive environment where every girl can grow with confidence and freedom.

Students, teachers, community members, and local leaders actively took part in the rally, carrying placards with powerful messages like “Protect Her Today, Empower Her Tomorrow,” “Educate the Girl Child, Strengthen the Nation,” and “Say No to Child Marriage.”

The event emphasized that protecting a girl child is not only a family responsibility but a collective social duty. Awareness sessions conducted during the program informed participants about child protection laws, helpline services, and the importance of reporting abuse.

The 2K Walk concluded with a pledge by all participants to support girl child protection, promote equal opportunities, and work together to build a safer and brighter future for every girl.

### HAND PRINTS CEREMONY

The “**Hand Prints Ceremony**” is a symbolic event where participants leave their handprints on a large canvas or wall, pledging their support for **Kreya '26** and promoting the event's theme of responsible social media usage.

As a part of **Kreya 2026**, the Handprint Event was successfully organized on January 8<sup>th</sup> 2026 with the theme “**Leave Your Mark – Together We Create**”, with enthusiastic participation from principal, deans at various levels, Heads of all departments, teaching and non-teaching staff and students of Ramachandra College of Engineering(A), Eluru. The event was conducted with the objective of promoting unity, creativity, and teamwork through a collaborative mural activity that reflected the spirit of Kreya 2026.

Students actively participated by placing their vibrant handprints on the prepared canvas, symbolizing diversity, inclusion, and collective responsibility. The organizing team efficiently managed registrations, material distribution, discipline, and hygiene to ensure the smooth flow of activities. All necessary safety measures were strictly followed, and the venue was restored to cleanliness immediately after the event.

Few Glimpses on Handprints Ceremony of Kreya 2026

The event received positive feedback and appreciation from both students and faculty members. The completed handprint mural now stands as a creative representation of unity and shared expression, capturing the true essence of Kreya 2026.

Overall, the event was executed successfully, fulfilling its objectives and contributing meaningfully to the spirit and success of Kreya 2026.

### **HANGING POSTER OF KREYA 2026 LAUNCHING CEREMONY**

This year as part of Kreya 2026, RCE proudly introduced a new and impactful event titled “Hanging Poster of Kreya 2026 Launching Ceremony.” This creative initiative was organized to officially announce and promote the grand launch of Kreya 2026 while building excitement among students and faculty members.

**Few Glimpses on Hanging Poster of Kreya 2026 Launching Ceremony**

The event marked the beginning of the Kreya 2026 celebrations, symbolizing innovation, enthusiasm, and teamwork. The specially designed poster highlighting the theme, logo, and key details of Kreya 2026 was ceremoniously unveiled and hung at a prominent location on the campus. The poster reflected the spirit of creativity and excellence that Kreya stands for. Faculty members, student coordinators, and organizing committee members gathered for the ceremony. The event created a vibrant atmosphere, encouraging students to actively participate in the upcoming competitions and cultural activities planned under Kreya 2026. Through this new initiative, RCE aimed to promote visibility, engagement, and a sense of pride among students. The Hanging Poster Ceremony not only marked the official launch but also set the tone for a grand and memorable Kreya 2026 celebration.

## **DEPARTMENTWISE DAILY EVENTS**

RCE (A) conducted department-wise events as a part of “**Kreya 2026**” cultural fest which can become a more inclusive, diverse, and vibrant celebration of talent and culture! Department-wise events ensure that every department gets an opportunity to participate and showcase their talents, promoting inclusivity and diversity. Also, it fosters a healthy competitive spirit among departments, encouraging them to outdo each other and showcase their best talents, it provides a platform for students to showcase their talents, skills, and creativity, which might not be possible in a single, college-wide event. It promotes departmental pride and identity, encouraging students to come together and support their department. It facilitates cultural exchange and understanding among students from different departments, promoting a sense of community and shared culture. It leads to increased participation, as students are more likely to participate in events organized by their own department.

Few activities that are conducted as a part of department-wise daily events:

- Retro Remix: Genz Thumka
- Cultural Blast
- Catchy Mad
- Dhoom Dhara
- Energy Bash
- Retro (Fusion 3.0)
- IoT GIG 3.0
- Rhythmic Rhinos & Hook step Challenge

**Few glimpses are shown below :**

### Daily Events conducted by various Departments

Our students, whose boundless energy, passion, and creativity are set to make **Kreya 2026** an extraordinary and unforgettable experience, deserve heartfelt appreciation. Their enthusiasm and active participation continue to bring life and vibrancy to every event.

We sincerely acknowledge the organizing committee, whose tireless efforts, strong leadership, careful planning, and seamless coordination are instrumental in shaping the grand success of Kreya 2026. Their dedication and teamwork reflect true commitment and excellence.

We also extend our gratitude to the faculty members, whose constant guidance, support, and encouragement help nurture our students' talents and build their confidence.

Kreya 2026 not only showcases the remarkable abilities of our students but also stands as a powerful testament to teamwork, creativity, determination, and unity. Together, we continue to make Kreya 2026 a celebration of talent, innovation, and collective spirit.

## DEPARTMENTWISE MAIN ENTRY THEMES

“Kreya 2026”, the highly anticipated cultural fest of RCE (A), began on a spectacular note, uniting faculty and students from various departments in a grand celebration of tradition, innovation, and youthful spirit. The opening day was filled with excitement and pride as departments came together to showcase their creativity and collective enthusiasm.

Day 1 of Kreya 2026 captivated the audience with its vibrant departmental entries. Each department presented a unique theme through impressive main entries featuring coordinated costumes, creative props, energetic music, and dynamic performances. The thoughtful planning and teamwork behind every presentation reflected the dedication and artistic excellence of our students.

The event commenced with a grand inaugural ceremony, where departments confidently introduced their themes. The program was presided over by our respected MD Sir, whose constant encouragement and visionary leadership inspire students to actively engage in cultural and creative activities. His esteemed presence elevated the spirit of the celebration and motivated participants to give their best.

The Event is initiated by the **CSE DEPARTMENT** with an energetic and well-coordinated manner, beginning with 60 celebratory shots to mark the grand start of the procession. Students holding the C, S, and E letter blocks walked along with faculty members, led by a DJ toward the main gate.

### A few Shots of the event:

A girls' dance performance in uniform costume (pancha with black shirt) added vibrancy to the event. The group then proceeded to A Block, where a special Kathakali get-up reveal and dance performance heightened the excitement. The procession continued to B Block with gas balloons, smoke effects, cheer sticks, and party poppers, creating a festive atmosphere, and concluded with an enthusiastic bikes and cars rally.

Next to CSE, **EEE DEPARTMENT** entered with the proposed theme, **“Powering the Future,”** highlights the core strengths of Electrical and Electronics Engineering by symbolizing energy, innovation, and sustainability. The entrance design will include EEE department flags, electrical symbols, and coordinated student participation to present a vibrant and professional display. The integration of DJ and Theenmar music will enhance the festive atmosphere while reflecting a blend of technology and tradition.

### A few Shots of the event:

Next, the CSE AI & ML DEPARTMENT entered with the theme, **“Through the Decades: A Journey from 1990 to 2025,”** celebrating the transformation of style, culture, and technology across generations. Each section will represent a specific decade, bringing it to life through coordinated costumes, era-defining props such as cassettes, flip phones, and smartphones, and music inspired by icons like Spice Girls and Dua Lipa to reflect the changing times. The implementation plan includes assigning decades in advance, finalizing

20–30 second music tracks, designing signature walks with synchronized poses, and organizing focused rehearsals to ensure confident stage presence and seamless transitions. Appropriate lighting, sound effects, and a concluding grand finale featuring all decades together will create a vibrant, nostalgic, and impactful presentation symbolizing unity through time.

**A few glimpses of the event:**

Next, **CSE-IoT DEPARTMENT** entered with the theme, **“A Grand Celebration of Tradition and Togetherness,”** reviving the vibrant spirit of an Indian Jathara through a lively showcase of folk culture, rural traditions, devotional energy, and festive enthusiasm. The presentation will feature students dressed in colourful traditional attire, carrying props such as temple umbrellas, drums, garlands, and decorative banners to recreate the authentic atmosphere of a village fair. The entry will begin with an energetic Jathara-style procession walk, with synchronized steps and rhythmic movements reflecting celebration and unity, followed by a dynamic Bullets and Cars rally entry that enhances the grandeur and excitement of the festivity. Traditional folk beats and devotional music will set the tone, while

coordinated participation and planned rehearsals will ensure a vibrant, culturally rich, and visually captivating presentation that symbolizes community spirit and togetherness.

**A few glimpses of the event:**

The Department of CSE (AI & DS) presents its KREYA-26 entry with the theme “Human Intelligence Meets Artificial Intelligence” and the tagline “Powered by AI, Guided by Human Intelligence.”

**A few glimpses of the event:**

The concept highlights the collaboration between human creativity, judgment, and values with the speed, precision, and data power of AI, forming augmented intelligence. The entry begins with an energetic **band performance and auto expo**, featuring cars and bullet bikes leading the procession. Students will walk holding **placards representing AI concepts and innovations**, symbolizing the harmony between humans and technology. Participants wearing **robo face masks and themed costumes** will visually represent the fusion of human intelligence and artificial intelligence, creating an engaging and futuristic presentation.

The **Department of Management Studies** proposes to conduct the **KREYA 2K26 entrance event** based on the theme of **Rainbow Colours**, symbolizing diversity, energy, and unity. The entry will begin with an energetic **Theenmaar drums performance**, creating an exciting atmosphere for the audience. The highlight of the entry will be the appearance of **K-MAN along with the KREYA 2026 alphabets displayed in vibrant rainbow colors**. Students from the Department of Management Studies will participate together in the procession, holding creative placards and moving along with music, making the entry colourful, lively, and engaging while representing the enthusiasm and spirit of the department.

#### **A few glimpses of the event:**

The **Civil Engineering Department** will present an energetic and colourful entry for **KREYA-2026** beginning with a **TAR (4x4) and Bullet bike rally**, where participants carry KREYA-2026 flags and use color blasters to create a vibrant atmosphere. This will be followed by the **Sarvesta Block presentation**, in which boys and girls showcase the **traditional attire of different states of India**, representing the nation's cultural diversity

while walking along with music. A **model of the globe** will also be displayed to symbolize unity, harmony, and the spirit of togetherness, making the entry both creative and culturally meaningful.

### A few glimpses of the event

The **Department of Cyber Security** presents an energetic and visually engaging entry for **KREYA-2026**, symbolizing strength, protection, and unity. The procession begins with a **vehicle rally carrying department flags**, creating a dynamic start to the event. Students participate in a colorful parade wearing **traditional attire**, representing cultural diversity and team spirit. The entry also features **vibrant artistic displays and rhythmic drum performances**, adding excitement and festive energy to the celebration. Participants moving together in coordination highlight the idea of **Cyber Security as a protective force**, safeguarding systems and information, while the entire department marches forward together, reflecting unity, vigilance, and technological strength.

### A few glimpses of the event:

The **Department of Electronics and Communication Engineering (ECE)** presents a vibrant and energetic entry for **KREYA-2026**, showcasing unity, culture, and enthusiasm.

**A few glimpses of the event:**

The procession begins with a **vehicle rally carrying department flags**, symbolizing pride and team spirit. Students participate in a colourful parade wearing **traditional attire**, representing cultural heritage and diversity. The event features **folk dance performances and musical celebrations**, creating a lively atmosphere as students move together with rhythmic beats. Participants carrying **decorated pots and symbolic elements** highlight tradition and creativity, while the entire department marches together with flags, demonstrating unity, coordination, and the dynamic spirit of the ECE department.

The Department of Mechanical Engineering at Ramachandra college of Engineering Autonomous has planned the **KREYA-26 Entry Event** as an engaging and energetic sequence of activities designed to showcase student talent and mechanical innovation.

**A few glimpses of the event:**

The event begins with entertainment through a **Teenmar or DJ performance** to create an exciting atmosphere for the audience. This is followed by a **Gokart vehicle demonstration**, featuring karts equipped with paper shots and smoke guns to add a dynamic visual effect and highlight mechanical creativity. The event then proceeds with a **rally of 350 cc bikes (around 20 bikes)** carrying mechanical flags and technical displays, symbolizing the strength and spirit of the mechanical engineering community. Finally, the rally is followed by **all mechanical engineering students**, creating a grand entry that reflects unity, enthusiasm, and pride in the department.

After the completion of all the departmental Marshalling, students and faculty members assembled at the **Open Theatre of RCE (A)** for the grand inauguration of the two-day cultural fest **Kreya 2026**. The celebration began with a cheerful cake-cutting ceremony, creating a lively and festive atmosphere as students, staff, and organizers gathered around the beautifully decorated cake featuring the **Kreya 2026** theme and colours. At **11:00 AM**, the esteemed Principal **Dr. M. Muralidhara Rao**, accompanied by the Heads of Departments, faculty members, and student organizers, warmly welcomed everyone and expressed his excitement for the wide range of events, competitions, and cultural performances planned for the next two days. As the Principal cut the cake, the Open Theatre resonated with applause and enthusiasm, marking the official beginning of **Kreya 2026**.

With the cake-cutting ceremony, the Kreya'26 fest has officially begun, promising an unforgettable experience for all participants. Stay tuned for updates on the exciting events, competitions, and performances lined up for the next two days!

### **Kreya 2k26: Let the Kreya 26 vibes begin!**

The inaugural session commenced with an energetic **Kerala Drums performance**, followed by a brief **introduction to KREYA 2026** highlighting the significance of the event.

### **Kerala Drums performance**

The **Kreya-2026**, Cultural Fest is a celebration of creativity, diversity, and talent, providing a platform for students to express themselves, showcase their skills, and entertain their peers.

These performances not only entertain but also foster a sense of community, collaboration, and cultural appreciation. Below are passages on each of these exciting activities: Singing has always been a timeless form of artistic expression, allowing individuals to communicate emotions, tell stories, and captivate an audience through the power of voice. College cultural events offer the perfect stage for students to showcase their vocal prowess. Whether it's a

soulful ballad, an upbeat pop tune, or a classical opera piece, singing brings people together through the shared experience of music.

**Folk Dance performance by Kolatam Team**

**A Special Performance given by students representing Nava Durga's and Lord Shiva**

The dignitaries were then invited onto the stage for the **traditional lamp lighting ceremony and Welcome dance by baby Riya**, marking the spectacular inauguration, followed by an inspiring address by the Secretary Sir.

The Kreya Cultural Fest is a spectacular event that showcases the diverse talents of students in singing, skits, dances, and other creative pursuits. This vibrant celebration is a testament to the students' creativity, hard work, and dedication to their craft.

#### **Dances: A Dynamic Celebration of Movement and Rhythm**

The dance competition is a high-energy event that showcases the students' talent, flexibility, and coordination. The performances feature a wide range of dance styles, from classical and contemporary to hip-hop and folk. The audience is treated to a visually stunning and engaging display of movement and rhythm.

Dance has always been a universal language that transcends barriers and brings people together in celebration. College cultural events with dance performances allow students to showcase a variety of dance forms. The rhythm, energy, and passion displayed on stage leave the audience enthralled and deeply moved.

Dance not only allows performers to express their emotions through movement but also celebrates cultural diversity. Many college events feature group dances, where different students come together to create something larger than life. The synergy between the dancers and their dedication to their craft shines through in every performance. Whether it's a graceful contemporary ballet or a high-energy flash mob, dance brings a dynamic and electrifying element to cultural events.
