Statutory Alert:

1. The authenticity of this Stamp certificate should be verified at 'www.shcilestamp.com' or using e-Stamp Mobile App of Stock Holding. Any discrepancy in the details on this Certificate and as available on the website / Mobile App renders it invalid.
2. The onus of checking the legitimacy is on the users of the certificate.
3. In case of any discrepancy please inform the Competent Authority.

AND WHERE AS BSNL, Vijayawada is engaged in the business of all communication services by virtue of a license agreement with the department of Telecommunication, Ministry of Communication, Government of India, New Delhi and operating across the state of Andhra Pradesh.

AND WHERE AS, the Ra machandra College of Engineering, Eluru. started in the field of Professional academic course of Electronics, Communication and its applications has agreed to the proposal of BSNL based on the terms and conditions contained herein after.

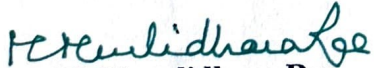

Now the second party has proposed to impart In-plant/Internship/Industrial training/Invited Lectures/Member BOS/ and Industrial visit to students and Professional Development Programs (PDP) / Faculty Development programs (FDP) to faculty in the field of Latest Telecom and Networking Technologies to improve their skills, to bridge the gap between academics and Industry by exposing practically to the live equipment which will be useful for their future and help them understand the working environment of telecom and networking field.

NOW THIS MEMORANDUM OF UNDERSTANDING WITNESSETH AS FOLLOWS:

1. It is agreed with the First Party that the second party shall coordinate for smooth conducting of In-plant /Internship /Industrial training classes to students detailed in the proposal.
2. The In-plant/Internship/Industrial Training in summer trainings, duration of training will be 1 week (@ 8.00 hours per day) which covers 4weeks training sessions in which both theory and visit of exchanges will be conducted in BSNL Telecom Training Centre, Autonagar, Vijayawada city and other telephone exchanges in Krishna SSA.
3. The On-Campus Training, duration of training will be three days in which two days allotted for theory at college campus and the third day is allotted for visit of exchanges in Vijayawada city for which college authorities have to arrange conveyance to the participants based on BSNL payment terms for the On-campus trainings.
4. The First Party shall nominate and depute eligible students to the BSNL Telecom Training Centre, Autonagar, Vijayawada for attending the classes as well as visit of exchanges.
5. The Topics covered under this training – IP technologies, IP Addressing, Broadband and Networking, Latest Data Services in Telecom, Optical Transmission of Data. Mobile Data Services, Switching Technologies, GSM/CDMA Mobile Technologies, of Transmission Technologies of voice and data, Telecom Infrastructure, Advanced Telecom services.
6. The fee shall be Rs. 4,720/- per student (Rs. 4,000/- + 18% GST, as applicable under the Government of India) and shall be paid in advance through Cash or Demand Draft in favour of the Accounts Officer (Cash), O/o Sr. GMTD, Vijayawada. The training shall be conducted only for students selected by the Institution, subject to the mutual consent and approval of both Ramachandra College of Engineering and BSNL at the time of organizing each batch. Any revision in the training fee, applicable taxes, or other charges shall be as prescribed by the Second Party at the time of conducting the training and shall be binding on the First Party.
7. After completion of training programme, the course certificate (4 weeks) will be issued to the all participants.

- prevailing rules, policies, and norms of the Second Party at the time of conducting the programme and shall be mutually agreed upon by both parties.
9. The Second Party agrees that its experienced officers/technical experts may, upon invitation from the First Party and subject to mutual consent, serve as Members of the Board of Studies (BoS) of the Department of Electronics and Communication Engineering, Ramachandra College of Engineering, during the validity of this Memorandum of Understanding, to provide industry inputs for curriculum development, academic planning, and skill enhancement initiatives.
 10. The college authority has assured a minimum strength of 100 students of Second / Third / Final year students from the First party every year during summer/winter for this training.
 11. The figure mentioned in Clause 10 is indicative and aspirational only. It does not constitute a mandatory, minimum, or guaranteed number of students, and the actual number of participating students in any given year shall depend on student interest, academic calendar, examinations, placements, and other institutional priorities.
 12. The First Party shall not be liable to the Second Party for any penalty, damages, compensation, loss, or claim of breach of this MoU on account of the number of participating students in any year being lower than the indicative figure mentioned above, and this MoU shall continue in full force notwithstanding any such shortfall.
 13. This agreement is valid for a period of Five years from the date of the agreement and can be renewed subject to the terms and conditions in force of both parties.
 14. BSNL assured to update its training curriculum by including latest technologies introduced into BSNL thereby helping the students to update their technical knowledge/skills.
 15. Not with standing any of the terms and conditions herein, the parties shall have the right to terminate this Memorandum of Understanding with three months advance notice in writing.
 16. IN WITNESS WHERE OF, the parties have set their hands and seals to this Memorandum of Understanding on the day, month and year first above written.
