Report

1. Report in brief by Organizer / Coordinator / Convener:

Industrial Visits has been arranged for enriching the practical knowledge of the students. In II year level, they should have the knowledge about Production. Practical Knowledge plays major role in our daily life. By keeping this in mind, this trip has been arranged for the students. In Jocil students clearly understands about the Manufacturing ,company financial position, Infrastructure and marketing strategies etc., This practical experience will help a lot for them to understand the theoretical subjects.
