**Report**

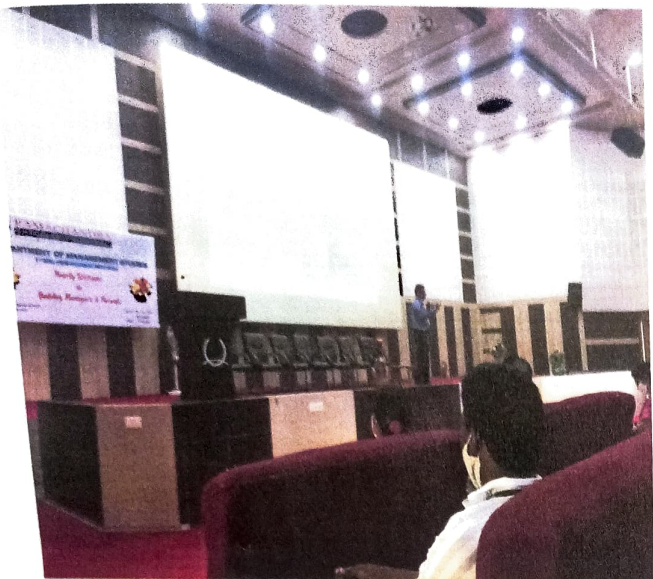

**1. Report in brief by Organizer / Coordinator / Convener:**

An awareness program was conducted at 3pm on JNTUK- R20 Regulations. Dr. Dola Sanjay had taken initiation to create awareness about R20 Regulations to I Year students. The program have been conducted with the heartfelt wishes of Our chairman Sri Ghanta Ramachandra Rao garu, our Secretary Sri K.Venugopal garu and our Managing Director Mr.G.Rohith.

Dr.Dola Sanjay explained about the new syllabus introduced from 2020. He advised the students not to compare with R19 syllabus as many changes have been made in R20 syllabus. He gave a detailed explanation on Theory subjects, Labs and online courses. He clearly explained about the allocation of credits to the students as per R20 Syllabus. Later he explained about the pattern of Internal and External examinations according to new syllabus. He clarified the doubts of students by giving complete details on R20 syllabus. He had also explained about the Non-Credit, Audit based and Mandatory courses to I.B.Tech., students of all branches.

All the students and faculty members participated in the programme and got exposure about the R20 Regulations, and cleared their entire doubts by interacting with the principal.

**Feedback from students:**

Students felt happy and got clarity after this session about Internal examinations and External examinations.
