

REPORT ON TECH FEST KREYA 2K25

The Department of Technical Clubs, in association with the Student Activity Centre, organized **TECH FEST KREYA 2K25** at **Ramachandra College of Engineering (Autonomous), Eluru**, on **24th and 25th Feb 2025** to foster a culture of innovation, creativity, and technical excellence among students.

The inaugural ceremony commenced with a prayer song, followed by the welcome address delivered by **Dr. Subramanya Sarma S, Dean of Academics**, who highlighted the importance of participation in technical fests to enhance practical knowledge and collaborative learning. The event was formally inaugurated by **Dr.M.Muralidhara Rao, Principal of RCE**, who emphasized the role of such platforms in equipping students with the skills required to face industrial challenges.

TECH FEST KREYA 2K25 featured a variety of technical events, including **Paper Presentations, Poster Presentations, Project Expo, Coding Contests, Circuit Debugging, CAD Modelling, and Technical Quiz**, along with non-technical events like **Treasure Hunt, Photography, and Gaming Competitions** to encourage holistic participation from all disciplines. Over **800 students from various departments** actively participated, showcasing their innovative projects and ideas in the Project Expo, where several IoT-based and AI-driven solutions addressing social and industrial issues were demonstrated.

The fest also featured **guest lectures and workshops** on trending technologies like **Artificial Intelligence, Block chain, Cyber security, and Robotics** conducted by industry experts and alumni, enabling students to gain insights into current industry practices.

Winners of various competitions were awarded certificates, medals, and cash prizes to recognize their talent and efforts. The **Project Expo** award was secured by the team from the Department of Electronics and Communication Engineering for their innovative project on “Smart Energy Monitoring System for Sustainable Campuses.”

The valedictory session was presided over by **Dr. Chamundeshwari, Head of CSE Department**, who appreciated the students for their enthusiastic participation and encouraged them to continue exploring and innovating. Certificates of participation were distributed to all the students, and the organizing faculty and student coordinators were appreciated for their seamless efforts in making the event a grand success.

Overall, **TECH FEST KREYA 2K25** served as a vibrant platform for students to exhibit their technical skills, exchange ideas, and gain confidence to tackle real-world engineering challenges, aligning with the vision of RCE to nurture globally competitive technocrats.
