**Report in brief by Organizer / Coordinator / Convener**

The Department of Electronics and Communication Engineering, Ramachandra College of Engineering (A), Eluru, organized a Felicitation Ceremony on 11th October 2025 to honor and celebrate the remarkable academic achievements of Dr. NVDP Murthy and Dr. G. V. Vinod on the successful completion of their Doctor of Philosophy (Ph.D.).

The event commenced with a warm welcome address by Mrs. K. Jeevan Jyothi, Assistant Professor, who appreciated the dedication, perseverance, and scholarly contribution of both the faculty members. This was followed by a brief overview of their research work and accomplishments, highlighting their continuous commitment to academic excellence and research advancement.

The Principal, Dr. M. Muralidhara Rao & Head of the Department, Dr. B. Raghavaiah, felicitated both the esteemed faculty members with mementoes and shawls as a token of appreciation and recognition for their hard work and contribution to the department's growth and reputation. The event witnessed the presence of all teaching and non-teaching staff members of the ECE department, who conveyed their heartfelt congratulations and best wishes.

Both Dr. NVDP Murthy and Dr. G. V. Vinod expressed their gratitude towards the Management, Principal, Dean-Academics, and colleagues for their constant support and encouragement throughout their research journey. Their inspiring words motivated the faculty members to pursue higher academic and research goals.

The ceremony concluded with a vote of thanks proposed by Mrs. K. Jeevan Jyothi, Assistant Professor (ECE), followed by a group photo session and light refreshments. The event was a memorable and proud moment for the entire department, symbolizing the spirit of academic excellence and professional growth.

### Ph.D. Acheivers

" **Dr. NVDP Murty** expressed his heartfelt gratitude to the Management, Principal, Dean-Academics, and the Department of Electronics and Communication Engineering for organizing the felicitation ceremony. He shared that earning a Ph.D. was a journey of perseverance, discipline, and continuous learning. He encouraged the faculty and students to develop a research mindset and to contribute meaningfully to the academic community through innovation and dedication."

"**Dr. G. V. Vinod** conveyed his sincere appreciation to the college administration and colleagues for their constant support throughout his research journey. He stated that this achievement was not only personal but a reflection of the collective encouragement and cooperation from the department. He motivated young faculty members to pursue higher studies and emphasized the importance of research in shaping the future of technology and education."

Both the dignitaries expressed their happiness for being part of such a warm and memorable event and extended their best wishes to the department for its continuous progress in academic and research excellence.
