Childhood is the joyous time of fun and play. It is the period of development for everyone. It shapes our personalities for the future. On bad days, we often remember good memories from childhood and they make us cheerful. To celebrate precious children, we observe Children's Day on November 14.

November 14 marks the birth anniversary of India's first Prime Minister, Jawaharlal Nehru, who was extremely fond of children. He was lovingly called 'Chacha Nehru'. Children's Day gives us an opportunity to promote and celebrate children's rights.

On the occasion of Children's Day MBA Department in collaboration with the RCE NSS Unit is organized a food distribution event for orphanage home near nehuru coloy, Eluru.
