Event: JNTUK Central Zone Cricket (Men) Inter-Collegiate Tournament cum Selection Trials (2025–26)

Date: 19-01-2026

Organized by: R K College of Engineering (Autonomous)

Introduction

This document is a Merit Certificate issued by Jawaharlal Nehru Technological University Kakinada (JNTUK) in recognition of outstanding performance in the Central Zone Cricket (Men) Inter-Collegiate Tournament cum Selection Trials for the academic year 2025–26. The tournament was organized by R K College of Engineering (Autonomous) and aimed to promote sportsmanship, competitive spirit, and talent identification among engineering college students within the central zone.

The certificate acknowledges the achievement of K. Gowtham, a III Year B.Tech (IoT) student of Ramachandra College of Engineering, whose team secured the First Position in the tournament held from 19-01-2026 to 25-01-2026.

Objectives of the Event

The primary objectives of the JNTUK Central Zone Cricket (Men) Inter-Collegiate Tournament cum Selection Trials 2025–26 were:

- 1. To Promote Sportsmanship:**
Encourage fair play, discipline, teamwork, and mutual respect among participating students.
- 2. To Identify Talent:**
Provide a platform to identify skilled cricket players for selection into the university team.
- 3. To Enhance Competitive Spirit:**
Foster healthy competition among colleges under JNTUK Central Zone.

4. **To Encourage Physical Fitness:**

Promote physical well-being and active participation in sports alongside academic pursuits.

5. **To Strengthen Inter-Collegiate Relations:**

Build unity and collaboration among various engineering colleges through sports activities.

6. **To Provide Exposure and Experience:**

Offer students an opportunity to gain competitive match experience at the university level.

Description of the Event

The JNTUK Central Zone Cricket (Men) Inter-Collegiate Tournament cum Selection Trials for the academic year 2025–26 was organized by R K College of Engineering (Autonomous) under the auspices of Jawaharlal Nehru Technological University Kakinada (JNTUK). The event was conducted from 19th January 2026 to 25th January 2026 and witnessed enthusiastic participation from various affiliated engineering colleges in the Central Zone.

The tournament was structured in a competitive format, where teams competed in league and knockout matches to secure top positions. The event not only served as a platform for inter-collegiate competition but also functioned as a selection trial to identify talented players for the university cricket team.

Participants demonstrated excellent teamwork, strategic game play, and sportsmanship throughout the tournament. The matches were conducted under standard cricket rules and were supervised by qualified officials to ensure fairness and transparency.

The event concluded successfully, with teams being recognized for their outstanding performance. The tournament highlighted the importance of balancing academics with extracurricular activities and reinforced the spirit of unity and healthy competition among

Ramachandra College of Engineering proudly clinched the **First Position** in the prestigious JNTUK Central Zone Cricket (Men) Inter-Collegiate Tournament cum Team Selection Trials 2025–26, organized under the aegis of **Jawaharlal Nehru Technological University Kakinada (JNTUK)**.

The tournament was conducted from **January 19 to January 25, 2026**, and hosted by **R K College of Engineering (Autonomous)**. The event witnessed enthusiastic participation from various affiliated colleges under JNTUK Central Zone, showcasing exceptional cricketing talent and competitive spirit.

Among the key contributors to this remarkable achievement were:

- **K. Gowtham**, III Year B.Tech (IoT)
- **B. Abhishek**, III Year B.Tech (IoT)

Both students represented Ramachandra College of Engineering with outstanding performance, teamwork, and dedication, playing a vital role in leading the team to victory.

The tournament served not only as an inter-collegiate competition but also as a platform for team selection trials, making the victory even more significant. Securing first place reflects the institution's commitment to promoting sports excellence alongside academic achievement.

Following the victory, the students were formally felicitated by the respected faculty members and department staff of **Ramachandra College of Engineering**.

During the trophy presentation ceremony, faculty members congratulated the winners and appreciated their dedication to maintaining excellence in both academics and sports. The presence and encouragement of senior faculty and department heads reflected the institution's strong support system for extracurricular achievements.

The faculty emphasized the importance of discipline, teamwork, and perseverance—qualities demonstrated by the students throughout the tournament.

OUTCOME OF THE EVENT

The team secured **First Position** in the **JNTUK Central Zone Men's Inter-Collegiate Cricket Tournament cum Team Selection Trials 2025–26**, held from **19th January to 25th January 2026**.

By finishing as **Champions**, the team demonstrated outstanding performance, teamwork, and competitive excellence among participating colleges in the central zone. As a result, they were awarded **Merit Certificates** and gained recognition for their achievement at the university level.

Student Participation

The JNTUK Central Zone Cricket (Men) Inter-Collegiate Tournament 2025–26 witnessed enthusiastic participation from talented students representing **Ramachandra College of Engineering**. The team displayed exceptional coordination, sportsmanship, and competitive spirit throughout the tournament.

Among the prominent participants were:

- **K. Gowtham**, III Year B.Tech (IoT)
- **B. Abhishek**, III Year B.Tech (IoT)

Both students actively contributed to the team's outstanding performance, demonstrating skill, dedication, and resilience at every stage of the competition.

Conclusion

The remarkable victory at the JNTUK Central Zone Cricket (Men) Inter-Collegiate Tournament 2025–26 stands as a proud milestone for **Ramachandra College of Engineering**. Securing the **First Position** in a highly competitive tournament conducted under **Jawaharlal Nehru Technological University Kakinada** reflects the dedication, discipline, and teamwork of the students.

This achievement not only highlights sporting excellence but also reinforces the institution's commitment to holistic development, where academics and extracurricular activities go hand in hand. With continued guidance from faculty and unwavering student determination, the college looks forward to many more successes in the future.
